

## West Conshohocken Positivity Project – September 15th

My name is Robyn Dronitsky. My company (Brixmor Property Group) is offering a service day to all employees and I have chosen to do something for our entire community to enjoy for the months of September/October. This will be a kid's activity with parent support. Because we are still socially distancing this is a great way to get the community together, allow our kids to meet other kids and still feel safe. If you would like to join us and don't have children, you are also welcome to come.

Date: September 15<sup>th</sup>

Place: McKenzie Park

Time: 5:30PM

Project: Positivity Yard Signs – each child will be given a blank yard sign to decorate (both sides) with something that makes them smile. It can be simple or detailed – a heart, a smiley face, a quote, a flower, a dog, the ocean, a rainbow, etc. At the bottom of each sign (this is where the parent may have to help) it will say FIND A REASON TO SMILE EVERYDAY. These signs will be placed along the main roads in West Conshohocken for all residents to enjoy throughout the month of September/October. With so many people walking throughout the town these days let's hope that this project can help someone that may need a breath of fresh air or a reason to smile during this very trying time.

All supplies will be provided

Although registration is not required it would be super helpful to know if you plan to attend. Please let us know if you on the West Conshy Residents Network Facebook page.

Note: We cannot guarantee what your sign will be placed near your home or on your street.

Looking forward to spreading love throughout the community as a community 😊

Thank you,

Robyn

# Find a reason to smile everyday
