PUBLIC SAFETY:

The Public Safety Committee had a productive meeting on October 3, 2022.

The Police Department advised of the upcoming October events including the Drug Prescription Take Back scheduled for October 29, 2022 from 11am-2pm.

The Department provided an update regarding its progress on DCED recommended improvements. The Department is happy to report, and this Committee is happy to share, they are close to completing all DCED recommendations and are continuing their efforts on the policies and procedures portion.

The Department brought an issue to our attention regarding a previously approved tuition reimbursement agreement. Due in part to the pandemic, the police officer approved for tuition reimbursement did not submit paperwork for a number of years seeking that reimbursement, some of which was related to stopped payments during the height of the pandemic. The Officer has provided all documentation to support the corrected reimbursement for the period in question.

The Committee had an engaging discussion with the Fire Department wherein community member questions were also addressed regarding the proposed Capital Expenditures for Fire Apparatus in the coming budget cycle. The Fire Department has provided detailed information related to the proposed replacement of the pumper and marine unit including specs and cost estimates of all requested apparatus. The group collectively brainstormed ideas to continue forward movement including potential funding opportunities for the sought replacements.

We also discussed requested training/continuing education opportunities sought by Fire Department members and the Fire Marshal offered additional training options to be reviewed by the Fire Department.

WEST CONSHOHOCKEN BOROUGH

FINANCE COMMITTEE

The Finance Committee has meeting scheduled with Truist Bank scheduled for the week of October 10.

WEST CONSHOHOCKEN BOROUGH

OPEN SPACE COMMITTEE

The Open Space Committee will be scheduling the next committee meeting during the month of November. The meeting date and time will be posted on the West Conshohocken Borough Website.

WEST CONSHOHOCKEN BOROUGH

PARKING AND TRAFFIC COMMITTEE

The Traffic and Parking Committee Chair has been out of the country and will provide updates on the Committee activities in the November reporting cycle.

DAILY OPERATIONS

Budget

The Police Department is working with the Public Safety Committee and the Borough Manager on this year's upcoming budget. We have identified several budget items that can be adjusted to help save funds, eliminate other funds, and move funds into other needed areas.

Police Department's Online Policy & Procedure Program

**(Funded by a \$60,000.00 Grant)*

PowerDMS

The Police Department's online policy and training program site has been created to implement the Department's new Policies and Procedures. PowerDMS will also be used for all Police Department Training Programs and Testing Assignments.

Policy Manual (Aspirant Consulting Group)

The Aspirant Consulting Group is rewriting the Police Department's Policies and Procedures Manual. The updated policies are downloaded to PowerDMS for Departmental use. Officers review the policies, then, complete testing to further their knowledge and understanding of each policy. The Policies and Procedures manual is about 25% completed.

Payroll

The Police Department is looking to cut down on paper generated pay sheets to digital pay sheets through the Department's Planit Scheduling Program at the start of 2023.

Scheduling

The Police Department will be adjusting the current Police schedule at the beginning of 2023 to maximize the Department's work force to suit its nature of calls and call volume. The adjustments to the schedule will place more emphasis on additional day shift Officers for traffic enforcement and control, while keeping the night shift regular staffing of two (2) Officers.

Training

- K9 Officer Dan Webster continues to train with K9 Lolli monthly.
- 95% of the Department's Officers have completed their mandatory update training for this year. Mandatory update training must be completed by December 31, 2022.
- Officers are in the process of completed their annual mandatory First & CPR training.
- All the Department's Officers continue to participate in daily online training sessions through Police One Academy. The training sessions include mental health training, ethics training, cultural diversity training, defensive tactics training, media training, safety and firearms training, crime scene evidence and collection training and investigations.
- Officer James Geddes will be attending Active Shooter Training on October 17th.
- Detective Brian Schaible will be attending FBI Inter-County Detective School from October 3rd to October 7th.

EQUIPMENT

The Police Department is looking to upgrade some of our aging equipment. These items consist of Firearms (8 years old), Tasers (5 years old) and transferring the Department's data system from an 8 year old server to the Cloud. We are currently working with the

Public Safety Committee, Borough Council and the Borough Manager on determining the budget costs of these items, as well as, the possible timeframe in which to replace them.

FLEET MANAGEMENT

Police Vehicles

The Department will be tracking and reporting vehicle maintenance for all Police vehicles through the current GPS System starting the beginning of 2023.

**(Vehicle mileage & conditions attached)*

TRAFFIC & PARKING

Traffic Issues

Officers have been conducting details along Ford Street to coincide with school year, paying special attention to the bus stops. Multiple areas in the Borough have experienced higher volumes of traffic due to road construction and back to school traffic. Police presence, along with traffic details, roving patrols, citations and warnings have been by increased the Department. Residents are encouraged to contact the Police Department to address any traffic complaints or concerns so that we may address them immediately.

Parking

The Officers continue to monitor and enforcing all parking complaints, issues and concerns throughout the Borough. The Department has been monitoring the Church Street parking lot after receiving multiple complaints. Residents are encouraged to contact the Police Department to address any parking complaints or concerns so that we may address them immediately.

**The Police Department is currently gathering additional traffic volume and speed data information for Moorehead Avenue to address suggestions on parking and traffic speed from the September Parking Meeting.*

NOTES:

Call volume declined the beginning of 2020 and continued through the year due to Covid restrictions, but picked up in 2021

Property/Business Checks & Directed Patrols discontinued as Reported Calls & Instead logged in to account for an accurate account of reported calls

2021 Traffic Complaints were calculated by adding stops/calls, complaints, traffic/parking citations and warnings (Reported by each Category 2022)

2020-2021 Noise Complaints included reporting decibel readings at local business (Reported by each Category 2022)

Police Information Reporting has been looked at closely to ensure that calls are being reported accurately into their proper categories

NOTES:

- Call volume declined the beginning of 2020 and continued through the year due to Covid restrictions, but picked up in 2021
- Property Checks & Business Checks were discontinued as Reported Calls to provide a more accurate account of the Department's daily activities/calls
- 2021 Traffic Complaints were calculated by adding stops/calls, complaints, traffic/parking citations and warnings (Reported by each Category 2022)
- 2020-2021 Noise Complaints Included reporting decibel readings at local business (Reported by each Category 2022)
- Police Information Reporting has been looked at closely to ensure that calls are being reported accurately into their proper categories

PUBLIC COMMENT ON THE AGENDA

OLD BUSINESS

Discussion and approval of Planning Commission Ordinance and Shade Tree Ordinance

NEW BUSINESS

Zoning Advisory for Discovery Labs: Request for Zoning Relief from the following Sections:

§113-75.B. - On steep slopes of 25% or more, all uses listed in §§ 113-74A through E and 113-75A are prohibited. This includes structures, roads, driveways, parking areas, construction or other development. The applicant is requesting a variance for relief to permit the disturbance of 0.24 acres (10,450 sf) of steep slopes 25% or greater, slopes areas that appear to be undisturbed based on historic photographs, for development purposes.

§113-103.A.(1). - One loading berth for the first 10,000 square feet of gross floor area is required. One additional loading berth for each additional 10,000 square feet of gross floor area or major fraction thereof is required. The Applicant is requesting a variance for relief to permit twenty-one (21) loading spaces rather than the required eighty (80) loading spaces.

Zoning Advisory for 218 Brittmuir Ave:

Applicant seeks a use variance from 113-39: Net Buildable area requirement and 113-75 Steep Slope: 82.3% of the lot has steep slope greater than 25%. Applicant seeks relief to build a single family home within the steep slope area.

PUBLIC COMMENT

ADJOURN

Addendum to the Planning Commission meeting of 6 October:

We were advised of up coming Fire Works ordinance.

We were advised of up coming Apple St. Parking ordinance.

Commission seeks clarification on Council's plans to arrange professional planning services for possible zoning changes to support a town center as outlined in the comprehensive plan.

Commission seeks clarification on Council's vision for the Open Space Committee as there appears to be some potential overlap the in responsibilities of the two groups.

Commission asks the Council to reconsider including the Planning Commission report as part of the consent agenda. Due to the scheduling of the Commission meeting in relationship to the scheduled Borough Council meeting, the Commission will always miss the deadline for submitting it's meeting report for Council's next meeting.
