### **II. COMMITTEE REPORT: PUBLIC SAFETY, TRAFFIC, AND PARKING**

Fire Marshal Report: Successful West Consho Cares event with 2 times on Valentine's Day for our community members to learn CPR/AED.

Engineer's Report: Community members expressed concern regarding excessive wait times at Merion Hill signal. Initial testing showed average waits between 30-40 seconds but PennDOT will send a maintenance crew to further evaluate.

Matsonford Road paving is expected in the Spring. The PennDOT list should be out in April and this is expected to be one of the first on the list.

Police Department: The Committee discussed reimbursement of police-related college tuition courses from 2016 to present to Officer Webster. The Committee voted to advance this item to the full council with a recommendation to proceed with reimbursement.

New Firearms were purchased, received, and officers are trained with them. The firearms are typically good for 7-10 years.

8 Merion Avenue Permit Parking discussion regarding increase in non-permitted parking. Plan to discuss further before full council.

George Clay Fire Company: Brief discussion regarding Fire Apparatus. Full council requested review from Finance Committee which was set to meet March 6, 2023.

### **II. COMMITTEE REPORT: OPEN SPACE, PARKS AND RECREATION**

At the meeting we received a presentation from Simone Collins related to the vision plan for West Conshohocken and the next steps. The presentation reiterated the emphasis on maintaining the quaintness of West Conshohocken and encouraging growth at a modest scale focused on more intimate opportunities such as shops, pubs and small scale real estate projects. It was proposed that the borough take the next steps to create an official map and to create an overlay zone map. Both of these items will be discussed at the 14 March council meeting for full council consideration. Enabling safe and efficient pedestrian crossings across the river was also discussed. This endeavor would need to leverage county and federal initiatives and would benefit from coordination with Conshohocken Borough. This too will be highlighted for discussion at h 14 march Council meeting

Finally, an update was provided by the borough engineer related to grant monies secured for the MacKenzie Park project. There is currently approximately \$350K secured for phase one of said project. The Borough engineer will review at the 14 march Council meeting the scope that can be included for phase 1 of the MacKenzie Park project based on the grants secured.

### **III. NEXT MEETING DATE: April, 2023**

## Mayor's Report

March 2023

Since my last report:

In February I attended the Night To Shine in King of Prussia, a prom night experience for people in our community with special needs. If anyone is interested in volunteering for this event next year please reach out to me.

Thank you to Fire Marshall Kelli and George Clay Fire Company for the free CPR event in February. The training you provided was excellent and we are all a little safer.

I was happy to attend Bridgeport's Founder's Day Event last Saturday, 3/4. Our neighboring borough held a community event with awards, vendors and historic information. Small town pride at its finest.

I also attended women's brunch at Blue Stone Church. It was nice to gather with fellow female residents to kick off women's month.

Some upcoming events:

At the time of writing this report, the St Patrick's Parade in Conshohocken is planned for this coming Saturday 3/11. I look forward to seeing our residents at this parade and will attend with Sergeant Bianchini in our Community Relations Vehicle.

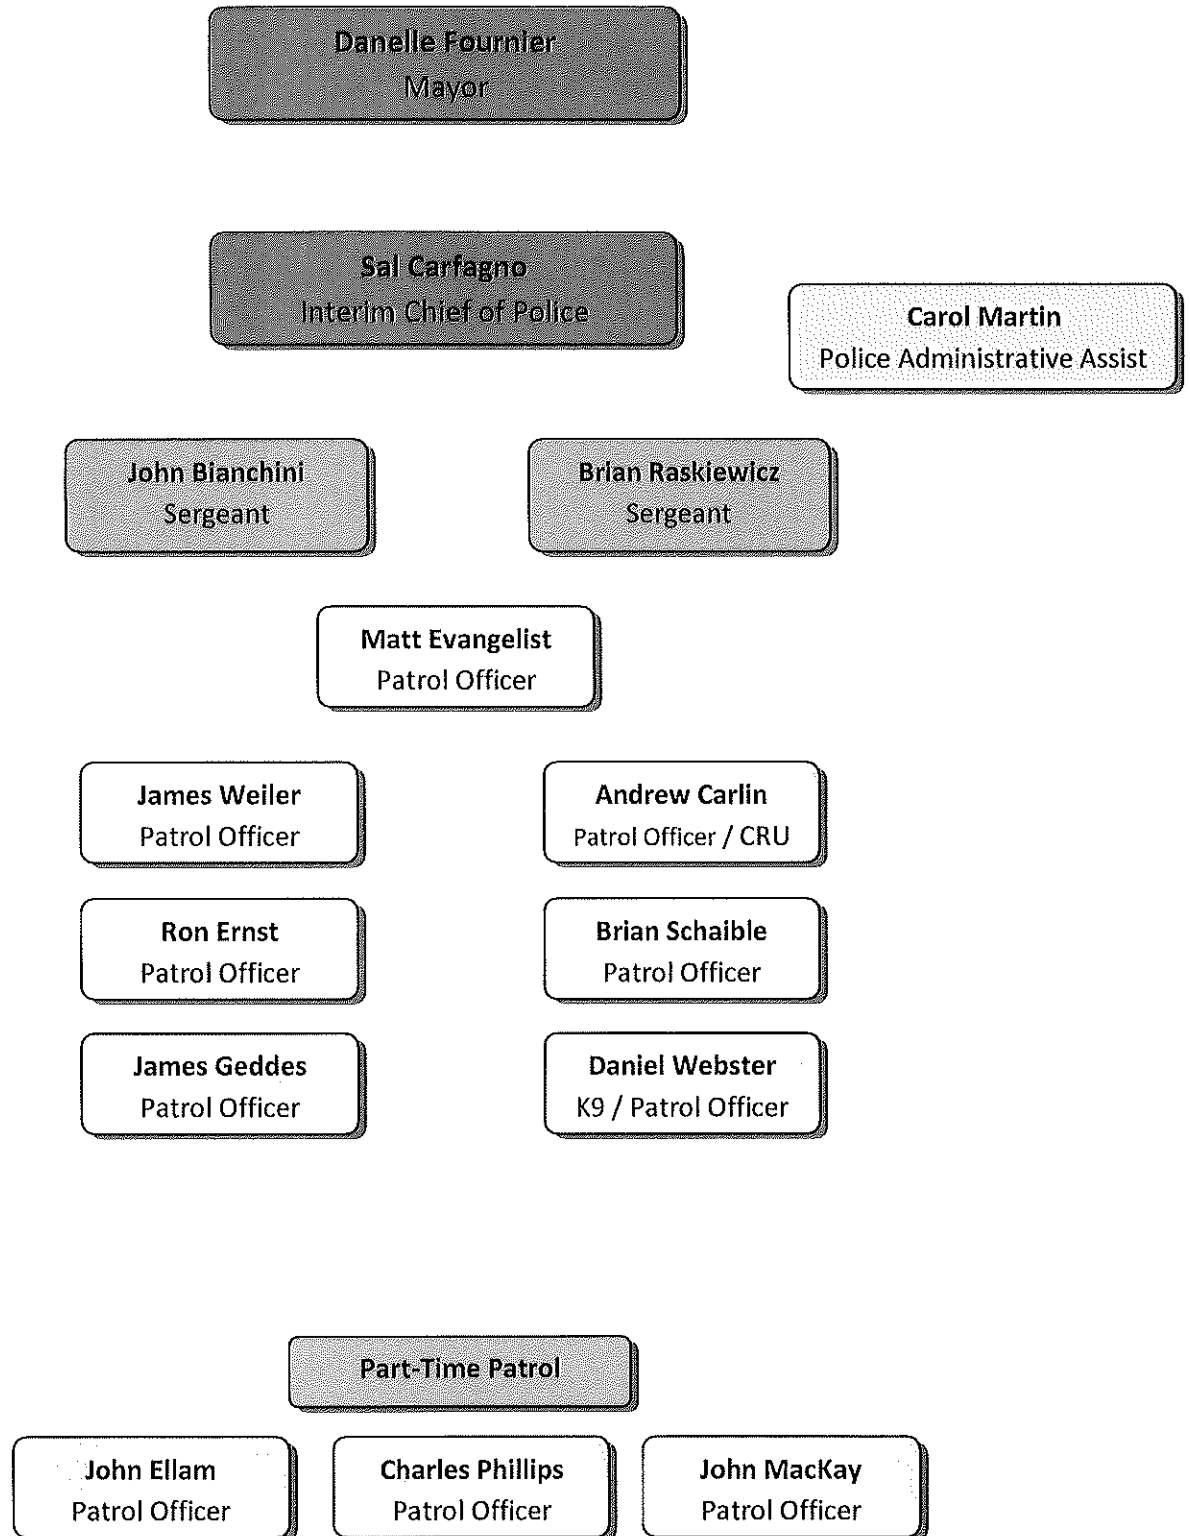

George Clay is hosting a Red Cross blood donation event Monday 3/27 2-7pm.

Green West Conshy has the Spring Clean Up Day set for 4/22. We have been organizing for this day and will share details on social media and the borough website.

Next year West Conshohocken turns 150. Planning for this begins now. Please email me [dfournier@westconsho.com](mailto:dfournier@westconsho.com) if you would like to be a part of the planning process.

## **DAILY OPERATIONS**

- The Police Department will be undergoing annual employee evaluations through the Department's Employee Development Program.
- The Police Department has integrated its Reporting System with the Montgomery County Communications Center allowing the Department's Police Reports to receive dispatched information for every call generated to provide efficient detailed reports.
- The Police Department's Officers will start testing on the Police Departments new Policies and Procedures manual. This will provide Officers with a better understanding and recognition of the Department's Policies and Procedures.

### **Training**

- The Police Department has completed mandatory Municipal Police Officers' Firearms Training Qualifications for the first half of 2023.
- The Department's Officers continue to complete their mandatory Municipal Police Officers' Education and Training (MPOETC) update courses for 2023.
- Officer James Geddes and Officer Daniel Webster will be attending hands-on Crime Scene Investigation Training consisting of Crime Scene Processing, Latent Prints, Scene and Lab processing, Forensic Photography, DNA, and Death Investigation.
- All of the Police Department's Officers continue to participate in daily online training sessions through Police One Academy. These training sessions are updated regularly and provide instruction on every aspect of modern day Policing.
- All the Department's Officers are completing annual Naloxone Training. This training allows Officers to effectively recognize and respond to an opioid overdose and successfully administer naloxone, the opioid overdose antidote.
- The Police Department's Officers are completing Overdose Information Network (ODIN) training sessions administered by the Pennsylvania State Police (PSP). Officers will be responsible for entering overdose occurrences as mandated by Act 158.

Effective 01/02/2023, the Overdose Mapping Act (Act 158 of 2022) became Pennsylvania law and directs the Pennsylvania State Police (PSP) to launch and maintain an overdose information network for the purpose of electronically tracking known or suspected drug overdoses occurring within the Commonwealth. The PSP has managed the Overdose Information Network (ODIN). PSP will continue to utilize this platform in adherence with Act 158 of 2022, which directs all Pennsylvania law enforcement officers to create an ODIN database entry record of a known or suspected drug overdose occurrence.

## **FLEET MANAGEMENT**
