**II. COMMITTEE REPORT: PUBLIC SAFETY, TRAFFIC, AND PARKING**

Traffic & Parking:

Update from Aqua regarding Front Street project currently cancelled and pushed to 2029.

Update from PennDOT regarding Matsonford Road paving set to begin on May 1, 2023 overnight. This project has started as expected.

Discussion regarding parking issues on Ford Street including issues with Ford Street/Matsonford parking lot. Traffic Engineer is looking into potential options and will provide the same when available. Update provided regarding Apple Street line painting set to begin as soon as conditions allow (no rain with temps above 70 degrees ideal for line painting).

Discussion regarding Merion Avenue. Traffic Engineer reviewed stop sign requests regarding George Street intersection and agreed a stop sign would be warranted at that intersection as well as George Street and Veteran's Avenue. Resident raised speeding concerns near playground on Merion. Will evaluate for issues and potential options.

Discussion regarding Spring Garden/Spruce/Merion Lane. Traffic Engineer evaluated and does not believe an additional stop sign is necessary because the other area intersections do have stop signs. Investigated into accidents and identified only 1 accident in that location since 2000 which would not have been prevented with a stop sign.

Discussion regarding intersection at Crawford (23)/Moorehead/Spring Garden. Prior meeting with PennDOT suggested they would assist with the intersection potentially including don't block the box lines. Traffic Engineer is looking into current plan and whether the borough can take action in the meantime while waiting for PennDOT.

Police Department:

Upcoming Community Events – Coffee with the Cops @ 9am at Borough Hall

Update on Policy & Procedure Manual – this is now very close to being finalized and is the last piece of the work following the DCED study.

George Clay Fire Company:

Update on DCED Report – Borough Manager spoke with Bob Hedden who believes a drafted report will be available late May/early June. He received the data needed and is now working on the recommendations based on the data.

Update on change to ESO – Technical problems have continued but there is confidence in the company that they are working to fix the issues. George Clay members attended a conference/workshop where they were able to express concerns and hear that they are working to resolve the known issues.

## Mayor's Report

May 2023

### Since my last report:

I attended the April meeting of the **Hometowners at St. Gertrude's Hall**. Our seniors who still live in the borough, or nearby in the surrounding areas are an important part of our shared history and ongoing traditions.

The **Sesquicentennial Committee** met in April to begin planning events to celebrate West Conshy turning 150 next year. Anyone interested in volunteering please email me at [dfournier@westconsho.com](mailto:dfournier@westconsho.com) If you have any old photos or stories of West Conshohocken to share, please reach out to me.

I was happy to participate with our local elected representatives as well as **Congresswoman Madeline Dean and Senior Advisor to President Biden Mitch Landrieu** on Friday April 21<sup>st</sup> to bring attention to our infrastructure needs. Our police department did a fantastic job supporting the event.

Green West Conshy held the **Spring Clean Up Day on Earth Day**. We had nearly 50 volunteers registered ahead of the event. Special guest Renieal Campbell, Miss Earth Pennsylvania joined us to help clean up litter. Our group raised over \$1,000 from local businesses as well as gift cards donated as prize give aways from Catch 101, Gypsy, Wawa and West Side. Financial donations were received from Conshy Girl's Restaurant Group, Broudy Precision, Liberty Jobs, Alberici, Diasio & Associates PC, ProSport Motors, DMR Graphics powered by Invoke and Strainsert. This annual event has become popular with our younger residents, and many brought their children this year to help.

This event coincided with the **Rx Drug Take Back Day hosted by Officer Carlin**. Officer Carlin graciously shared Borough Hall lot and the combined events brought new attention to both causes. Small prizes emerged from the Community Relations Vehicle for all the little Earth Day volunteers.

I visited the **Conshohocken Environmental Advisory Council's "GreenFest"** also on Earth Day. Their event at the Fellowship House highlighted bicycle education, electric vehicle information, community gardening, sustainable land solutions and more.

### Some upcoming events:

**Coffee with a Cop** Saturday May 13<sup>th</sup> at Borough Hall, 9am. Come meet some members of your friendly West Conshohocken Police Department.

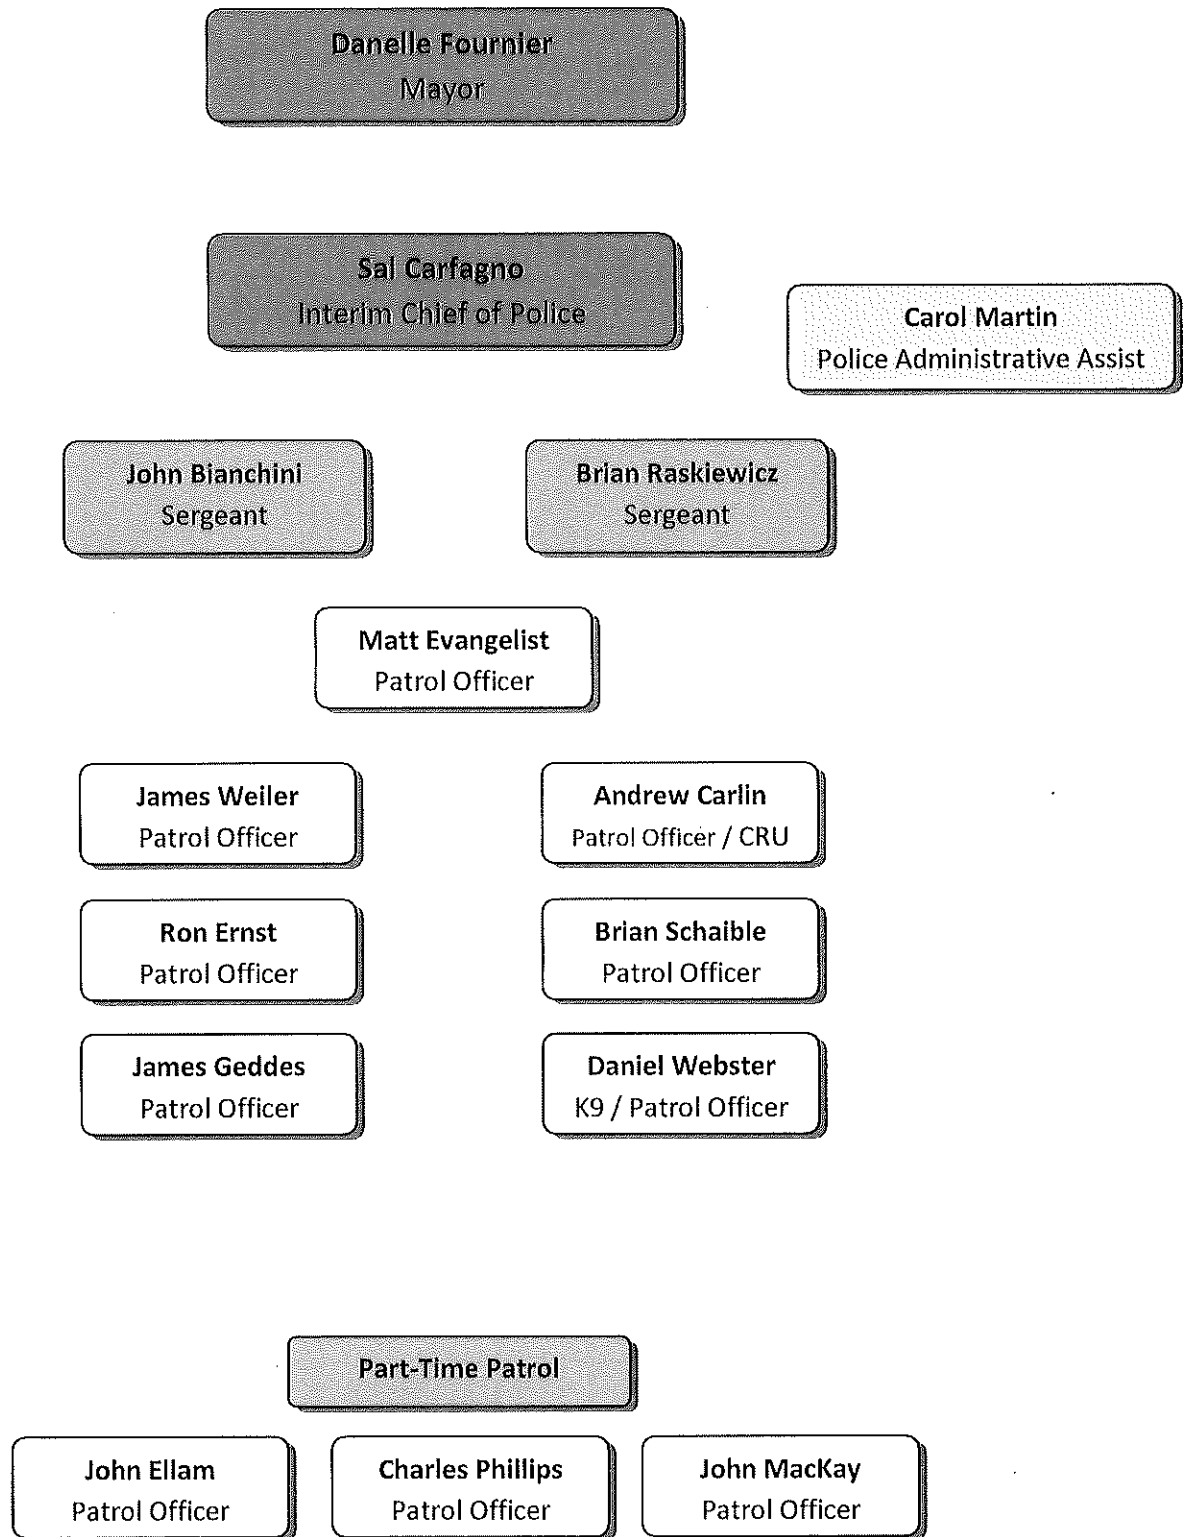

**Flag planting at Calvary Cemetery** Saturday May 27<sup>th</sup> 10am. All are welcome to join the VFW 1074 post as we place American flags on Veterans graves at Calvary and Gulph Cemeteries in preparation for Memorial Day.

Our **Memorial Day Ceremony** with VFW Post 1074 at Borough Hall 9am Monday May 29<sup>th</sup>. Please join your neighbors and honor those who sacrificed their lives serving our country.

I look forward to seeing our **Hometown Heroes banners** flying again soon and I thank the West Conshohocken Public Works Department for their diligence in this project.
