**PUBLIC SAFETY, PARKING & TRAFFIC COMMITTEE REPORT**

**TO:** West Conshohocken Borough Council

**FROM:** Amelia Gale, Committee Chair

**DATE:** 11/16/2023

**I. COMMITTEE MEMBERS:                      ATTENDED:                      ABSENT:**

Kelli Scarlett, Fire Marshall	[ <input checked="" type="checkbox"/> ]	[ <input type="checkbox"/> ]
Joseph Catagnus, Deputy Fire Marshall	[ <input checked="" type="checkbox"/> ]	[ <input type="checkbox"/> ]

**II. COMMITTEE REPORT:**

Please add to the next council meeting that we need to vote on letting the police department run their own interviews, we are holding up the process!

The police department would like to end the K-9 program and officially retire our dog, we are not using the dog as often as we'd like, it's an extra cost for the department that just isn't necessary now. We will need to put this to council for a full vote but the committee expressed favor for this item.

Could we take a look at the potential sinkhole on Barr Harbor by the underpass with the engineer?

**Fire Marshall**

- the hotel in West Conshohocken is currently on fire watch as they need a pump replacement which may potentially take weeks or months, will be sending hourly logs.

**Codes Officer**

- PECO is currently scheduling double pole removal within West Conshohocken, they are backlogged because of failing poles. They also received a quote for iPads for the Fire Marshall and Codes Officer to better enable them access to ESO, will share with Borough Management.

### **Police Department**

- would like authority to end the K-9 program and retire the dog to her officer handler's home, the costs are outweighing the benefits as it is not something we use often and we don't have the manpower to share the resource with other municipalities.

### **Fire Department**

- They have provided a list of additional items that they would like to get approved outside of the budget. These include:
  1. \$50,000 of earmarked funds for MSA air packs and 5 sets of turnout gear in the future
  2. Replacement apparatus and Quint
  3. They are asking for a second full-time employee
  4. They would like to replace the engine room bay doors (\$15,000 for parts and would do the labor on a volunteer basis)
  5. Basement restoration and renovation ask for their training area (\$46,250 estimate)
  6. They are requesting additional hydrants - one at the industrial park on DeHaven and an additional by the office buildings on Front Street. They will create a list and will send to the Fire Marshall. They also asked that all new developments require installation of fire hydrants.
- The fire department also had a question about the budget - there used to be a \$7700 per year cleaning line item that is no longer there. In addition, they had a question about line item 02-411-320 and if they were double paying for this.

### **Public Comment:**

- Mr. Davis asked that regarding apparatus replacement for the fire department, if it was possible for the department to provide a quarterly asset report so there are no surprises at replacement time. In addition, he asked that we could agree on what percentage the borough should pay towards apparatus purchases so we could eliminate negotiations.
- Mr. Dave Frankenfield mentioned that Mr. Catagnus has a list of streetlights needing replacement within the Borough.
- Mr. Dennis Frankenfield mentioned again that there is a sinkhole on Barr Harbor by the underpass; could we have the engineer look at it?

### Since my last report

West Conshohocken honored its Veterans on Saturday November 11th in a ceremony outside Borough Hall. VFW Post 1074, members of Borough Council, West Conshohocken Police Department and George Clay Fire Department were present for the ceremony.

*My remarks from the ceremony – Good Morning, Today we honor our Veterans and their families. No matter how many times we say thank you for the sacrifices you have made for our Nation's greater good, it will never be enough. West Conshohocken has an above the average number of residents who have served over the years. Memorials such as right here where we are standing and also the Hometown Heroes banners all through town are a daily reminder of their gift. I encourage you to check out The Times Herald today to read about Pat McTammney. Not only did he willingly volunteer to serve, he put his life in danger repeatedly. It's a powerful story and probably one of many. My father Dan served in the Navy and as he likes to say he took a few cruises in the med. I asked him to speak a little about his service. He said, "We did what we did to keep the country safe. Not for us but for you." And for that we are forever grateful.*

Our Holiday lights are on display, Borough Hall and the evergreen tree are beautifully lit for the season. Thanks to Santa for bringing joy to some of our children's faces with his arrival Saturday November 25<sup>th</sup> on a George Clay Fire Engine. Mini train rides along with hot chocolate and sweets from the Conshy Girls fueled the fun on that chilly night.
