Walter Gleba, resident was concerned about the new fence at St. Gerts Park. He indicated that prior was a chain link fence and Mr. Ewing indicated that there was no chain link fence prior to new fence being installed. Mr. Gleba asked about the hours of the lights and Mr. Hassan indicated that the lights will be on from dusk til dawn.

Guy Davis, resident, wanted to incorporate the oldest resolution to the 150th. Mr. Davis also wanted to know what the issue was with the old fence at St. Gert's park. Mr. English indicated that public works noticed that the posts were rotted and due to the construction at MacKenzie that they know that St. Gerts park will be utilized even more.

Subject: Public Safety Committee 2.15.24

We opened the meeting by reminding everyone of the upcoming Spaghetti Dinner at George Clay on Sunday, February 25.

- Fire Marshall's Update:
 - The Marriott is finally installing the fire pump, and should be done by the weekend of February 16.
 - Inspections should be online in ESO starting next week
 - The Fire Appeals Board list was sent to Council for approval
- Code Inspector's Update:
 - The tip of the week will be rolling out shortly on the West Conshy Borough's Facebook page
- Traffic Engineer's Update:
 - Montgomery County is asking for transportation and safety initiatives, which are due March 1. Some of the initiatives we are proposing, from the vision plan, include:
 - Improving roadway network, reducing cut through traffic
 - Merion Avenue - pedestrian improvements
 - Pedestrian crossing over the bridge, potentially a secondary pedestrian bridge
 - Pedestrian bridge from Front to Fayette
 - 76 ramp changes (using Woodmont/Crawford)
 - Widening the road by Wawa
 - 476 ramp additions
- Public Comment on Agenda Items:
 - Dave Frankenfield - would love to see informational signs getting off major roadways proposing alternate routes, as well as potential gates to close off on-ramps in the event of traffic incidents. In addition, it would be great to see another bus stop that connects to the R100 line
 - Tina Reese - we could potentially apply to remove the borough from Waze app to cut down on through traffic
 - Jay Soppick - would like a print out of the Fire Appeals Board ordinance. He also asked the following questions:
 - Do we already have an appeals board?
 - Is the Fire Marshall an employee? Has she been sworn in?
 - Is the code part of the construction code or the whole state code?
 - Are the Fire Marshalls doing their reports here or at Council meetings?

- Why did the fire pump for the hotel take so long?
- Did we ever think about Old Woodmont to Bridgeport rather than widening Front Street?
- Police Department Update:
 - Oral interviews have been completed, and there are four candidates remaining. They will complete the full application to allow us to run background checks and complete polygraphs. The timeline for hire is looking to be April.
 - The next Consortium test is March/April should we need more applicants, we have already registered just in case.
 - e-Tickets are all set up, waiting for approval from the courts system which might take several months due to backups. Once it is up and running they will have a website with all ticket records.
- Fire Department Update:
 - Lots of marine unit training is underway, they will be operational within the next 2 months
 - They are completing inter-agency training with Gladwyne on Wednesday/Saturday next week
 - They will be enrolling in the state class for Fish and Boat, September to November
- Public Comment:
 - Dave Frankenfield - Is there an update on the task force? (We spoke with DCED and are waiting on next steps.) The Appeals Board agenda item seemed out of the blue, how was it appointed?
 - Walter Gleba - The park lighting for Mackenzie was never on the development plan, and it came as a surprise. He also does not see the point of it if the park is open dawn to dusk. He filed a RTK last year to see who was asking for lights but didn't receive any names from it. He does not feel that there was input from residents on the lighting, and thinks the lighting will cause trouble in the park. He would like us to take this feedback to Council.
 - Guy Davis - How can we prep our police in case there's an influx in crime related incidents?
 - Dennis Frankenfield - Can we fix the PA system for meetings? (Yes, it is happening soon!)

OFFICE OF THE MAYOR

Mayor's Report – March 2024

Since my last report:

Hometowners Meeting February 8th

I was happy to visit with the Hometowners at St Gertrude's Hall for their monthly meeting and personally reach out to invite them to our Sesquicentennial Events. I very much appreciated the warm meal as well. We are fortunate to have a dedicated group of seniors who remain friendly with their lifelong neighbors.

150th Meeting February 8th

The committee has been meeting regularly prior to the Planning Commission Meeting at Borough Hall. Planning continues for the Events for the Sesquicentennial Celebration throughout 2024 and volunteers are always appreciated. Please reach out to me if you would like to attend our next meeting or have suggestions. dfournier@westconsho.com

Chili Cookoff at VFW Post 1074 February 10th

I was honored to repeat judging duties at the VFW Post 1074 Chili Cook Off. West Conshy's own Tommy Smith brought home 2nd place and was only shy of 1st by a razor thin margin. The VFW Post continues to be a great resource for our Veterans as well as a great place to socialize.

Spaghetti Dinner at George Clay Firehouse February 25th

Another fantastic Spaghetti Dinner served up by the George Clay Fire Department and Auxiliary. The food was fantastic, the alfredo reminded me of my mother's recipe. Dinner kept coming even as members had to answer a fire alarm during dinner hours.

Rally to support the people of Ukraine February 25th

Father Ron and The Congregation of Sts. Peter and Paul Ukrainian Catholic Church in Bridgeport held a rally to support the people of Ukraine on the second anniversary of the invasion. It was inspiring to hear members speak about their love for Ukraine and America. I especially enjoyed the children's choir singing the Ukrainian National Anthem. Pictured here are Upper Merion School Board Member Jenn Lyons, Bridgeport Council Vice President Tony Heyl, Bridgeport Council person Kyle Shenk, Father Ron, Representative Mary Gay Scanlan, West Conshohocken Mayor Danelle Fournier, Representative Tim Briggs, Bridgeport Council President Saba Alzaid, Senator Amanda Cappalletti.

Groundbreaking Ceremony at MacKenzie Park March 1st

Groundbreaking ceremony for renovations at MacKenzie Park in West Conshohocken March 1st. While tucked away in a private corner of town, this park is a center of activity for West Conshohocken. MacKenzie Park hosts our Egg Hunt, Community Days, Summer Camp Program, Movie Nights, National Night Out and Fall Fest. It was the home field of the West Conshy Raiders Football team and in the summer, softball teams gather to play ball. During those times of social distancing, it became many residents outside gym and even hosted our community yoga classes. Over the years many residents have volunteered on the Parks and Recreation Council to create fun events for the kids at this park. The current Borough Council and local officials have worked to secure funding for improvements to ensure this fun can continue. Pictured here: Mayor Danelle Fournier, Senator Amanda Cappalletti, Commissioner Thomas DiBello, Representative Tim Briggs, former Councilman Jack Cooper, Councilwoman Tori Conicello-Emory, Council President Stephen Blumenthal.

Upcoming events:

Tales of West Conshy with Jack Coll March 9th 1-3 at the Marriott

We are finally kicking off our 150th Anniversary Celebration with a little trip down memory lane. Local historian Jack Coll has a slideshow prepared along with some stories about the people and events that have shaped our town into the place we all love to call home. This is a few event and I hope to see many of you there.

Thomas' Cardiac Crew at the Philly Spin In for CHOP March 10th

When our neighboring Mayor of Conshohocken Yaniv and Sarah's baby boy Thomas was born with a congenital heart defect he needed several lifesaving surgeries. Thomas' rosy cheeks and smiling face truly are a little miracle thanks to the skilled medical teams at CHOP. I am riding in the Philly Spin in on team "Thomas' Cardiac Crew" to help raise funds for continued research for pediatric cardiac diseases. Our team is very close to our fundraising goal. If just a few more folks can chip in some small donations we will reach it! #chopheartwarriors #phillyspinin #CHOP #forbreakthroughs Link

Conshohocken St Patty's Parade March 16th

The St Patty's Parade and 5 k are Saturday March 16th in Conshohocken. While this is really not a West Conshy event it is important to note. If you like to celebrate with your neighbors, you won't want to miss out. If you aren't really into parades it is still important that you know this is happening because Fayette St. will be closed for several hours of the day and you will need to take alternate routes. I always am happy to ride along with the West Conshohocken Police Department and cheer on the crowd, especially when I spot the West Conshy gang.

Breakfast with the Easter Bunny March 24th

George Clay and their Auxiliary will be serving up another breakfast, this time with the Easter bunny. Come support the firehouse, enjoy a great breakfast with your neighbors and get your picture with the Easter bunny. If you have never had their sweet bacon it is a must try.
